Dear Brave Supporter:

We are grateful for your contribution to Brave Step’s Recycled Soles campaign. Whether you donated one or more pairs of soles, please know that your contribution is strengthening adults impacted by sexual abuse through inspiration, education and personalized care.

It was once said by an unknown author, “Sometimes the smallest step in the right direction ends up being the biggest step of your life; tip toe if you must but take the step.” The donation of your soles is an important step in the right direction of combatting sexual abuse and empowering survivors to take one bold step or tip toe forward.

The Recycled Soles campaign also is an important aspect of educating the community on the effects of abuse and the needs of this underserved community. Help us spread the word to family and friends; take a brave step today at [BraveStep.org](http://BraveStep.org) or through social media on [Facebook](#), [Twitter](#) and [Instagram](#).

Thank you for joining our brave journey We are humbled and honored by your courage and support of Brave Step.

Thank you again for your thoughtful gift to Brave Step.

Best wishes,

Brave Step Inc.
